<p>5:30 pm – 7:00 pm</p> <p>Sponsored by</p> 	<p><b>Networking Reception</b></p>

## Wednesday, February 22, 2017

9:00 am – 12:00 pm

### Rethink Methane Symposium Off-Site Tour: Van Steyn Dairy

California's 1.7 million dairy cows produce >50% of the state's methane emissions, a highly potent greenhouse gas. Join us for a tour to learn how an anaerobic digester is helping Van Steyn Dairy tackle the carbon footprint created from their 700 cattle and ≈100,000 lbs. of daily manure output, as well as create renewable power for ≈125 homes..

*Registered tour attendees should check-in at the registration desk in the lobby. The bus leaves promptly at 9am.*

The Rethink Methane Symposium would like to thank the following organizations for their support and leadership:

#### PLATINUM SPONSORS

**Pacific Gas and Electric Company**<sup>®</sup>

#### SILVER SPONSOR

#### KEYNOTE LUNCHEON SPONSOR

#### RECEPTION SPONSOR

#### CONTINENTAL BREAKFAST SPONSOR

#### BEVERAGE SPONSOR

#### NETWORKING SPONSORS

#### INDUSTRY SPONSORS

#### ENDORISING ORGANIZATIONS
